---

1. Executive Summary

Sevendyne SaaS is your technology partner for robust, scalable, and affordable enterprise software solutions. We specialize in:

- ✅ **Odoo ERP Implementation & Support**

- ✅ **AWS & Cloud Infrastructure Setup**

- ✅ **Custom SaaS Development & Automation**

Whether you're launching a startup or managing an enterprise, our expert team ensures smooth onboarding, scalable architecture, and responsive support—all under a single, flexible monthly plan.

---

2. Service Plans & Pricing

Plan	Ideal For	Inclusions	Price
Starter	Small Businesses	Odoo ERP (3 modules), cloud hosting, user training, support	₹60,000/month
Growth	Mid-size Companies	+ APIs, automation, reporting, 5+ modules, AWS scaling	₹60,000–₹1,20,000/ month

Enterprise	Large Enterprises	Full ERP stack, AI, data analytics, cross-department automation	Custom Quote (₹2L+)

3. What's Included in the Starter Plan (₹60,000/month)

✅ Odoo ERP Setup

- Choose 3 modules: e.g., Sales, Inventory, HR

- Hosting included (on AWS/DigitalOcean)

- Role-based access, user training

✅ Cloud Infrastructure Setup

- Provisioning + secure deployment on AWS

- Daily backups + performance monitoring

✅ Ongoing Support

- Bug fixes, uptime monitoring, user queries

- 2 training/support sessions per month

- Monthly reports and system updates

4. Upgrade Paths & Add-Ons

When You Need To…	We Help With…	Cost
Add a new module (e.g., Accounting)	Expand your ERP features	+₹15,000/month
Onboard 500+ active users	Move to Growth Plan	₹90,000/month
Automate workflows	Integrate Odoo Studio, APIs	₹25,000–₹50,000 (one-time)
Enable business intelligence	Power BI or Odoo BI dashboards	Custom quote

5. Sample Engagement Plan: Retail ERP

Phase	Activity	Cost
Phase 1	Odoo ERP (Sales, Inventory, POS)	₹60,000/month
Phase 2	Add Accounting + eCommerce modules	+₹45,000/month
Phase 3	Invoice automation + alerts	₹25,000 (one-time)
Ongoing	Support, user training, upgrades	Included

6. Operational Benefits

- 📜 **One Contract**: Clear monthly pricing and single invoice for ERP, infra, and support

- 🔁 **Credits Across Services**: 5% credit toward Sevendyne Networks or Staffs if bundled

- 📈 **Built-In Scalability**: We flag user/module limits so you scale when needed

- 🔙 **Exit Flexibility**: Migrate to in-house with our Staffs model (e.g., ₹12,000/month/resource)

7. Why Choose Sevendyne?

- 💰 **Affordable SaaS Expertise**: Start small and expand as you grow

- 🧠 **Odoo + AWS Certified Team**: Real business impact, not just installation

- 🔧 **Full SDLC & Infrastructure Knowledge**

- 🤝 **Long-Term Partnership Model**
